REPEATERS & EMCOMM FOR JULY

The [next KARS meeting](#) will be July 7th, 7PM at St. Mary's Hospital in the public meeting room. As usual, enter at the south entrance.

Following a brief business meeting and final KARSFEST plans, there will be a program on how repeaters function and a roundtable discussion of emergency communications net procedures. This is a great opportunity to brush up these important skills. CU there!

June meeting at the ESDA Center

FOXHUNT!!!

The [next foxhunt](#) will be Saturday, July 11th at 11AM. Hunters will start at the usual place...the east parking lot at the Meadowview Shopping Center. The fox will be Mike WU9D. Mike won the Wednesday mid-week hunt on June 24th.

ILLINOIS ARES HF NET

KARS Emergency Communications Coordinator, Harry WD9FYF reminds KARS members to check in to the Illinois ARES HF net on the first and third Sundays of the month at 1630 local time on 3.905 MHz LSB.

The net is good practice and will be the backbone for emergency communications should the need arise.

NCS FOR JULY

The [net meets every Monday](#) at 2000 hours local time on the 146.34/94 repeater. All stations with or without traffic are invited to check in.

KARSFEST 2015

Calling all KARS members. Your help is needed at [our annual Hamfest](#) on July 19th. See you at the Will County Fairgrounds in Peotone bright and early in the morning. This is our only fundraiser of the year, and we have several repeaters and lots of equipment that rely on this event. KARS Emcomm camper that we purchased and outfitted with emergency communications equipment will be at the fairgrounds for you to check out.

TWO RIVERS CENTURY BICYCLE TOUR Sunday, 08/02/2015

KARS has once again been asked to provide communications for this event which is a fund raiser for building and joining up biking/walking trails in Kankakee County.

This is a great way to get out and enjoy the fresh air, meet bikers from all over the state and get out a positive message about amateur radio.

The ride will start at the Splash Valley water park at 6AM but that doesn't mean we all need to be there that early. The sign-up for bikers begins at that time. There will be starters for about 2 or 3 hours.

At the very minimum of participation, we'll need 4 fixed locations with ham operators: Registration, Aroma Park, Island Park in Momence, and Plato Bridge in Iroquois County, plus some hams to ride with the SAG service vehicles to provide communications from the mobile positions. If you drive your own vehicle to provide SAG service you will be reimbursed for your gas. The ride starts at 6 AM; SAG ends at 3:30. The ride patrolling will be from 6:00 AM to at least 3:00 PM, but the last time we participated, we had vehicles involved to around 5:30 PM.

There will be food stuffs at the rest stop locations. Good stuff --- don't pig out! It is primarily for the cyclists, but we may indulge.

TWO RIVERS CENTURY BICYCLE TOUR

(continued)

There are a couple changes in the routes this year. Harry WD9FYF is our point man in this operation and he will be getting that information soon. Expect hundreds of riders....some of the friendliest folks you'll ever meet.

Mark Steffen is the president of the Cycling Club and he would like for us to provide him with the names and shirt sizes of our participants so they can order event shirts for them!

This is a really fun operation and even if you can't do the entire day, we can still use you part time. If you miss this event, you will really miss out on a great time! Harry will be working up a list of participants at the July General KARS Meeting. If you cannot make the meeting, contact Harry at:

EMCOMM UNIT GETS WASH & SHINE

by Ed W9EJM

Thursday, May 28 was the KARS EmComm trailer clean up day. Ed, W9EJM; JR, K9KSG; Rollie, N9RJM; and Kevin, KC9QXV manned the brooms, mops and scrub brushes and gave the trailer a thorough cleansing. The trailer received a good cleaning, both inside and out. Fresh sealer was applied on the roof and minor repairs were done to get the trailer ready for the ARRL Field Day held June 27 and 28. The objective of Field Day is to work as many stations as possible on any and all amateur bands (excluding the 60, 30, 17, and 12-meter bands) and to learn to operate in abnormal situations in less than optimal conditions. Field Day is open to all amateur radio operators.

Have a safe and happy Fourth of July and thank a VET for making it so!

HEAVY HARDWARE

The June KARS meeting was held at the invitation of the Kankakee County Sheriff's Department / ESDA center. On display were new incident command vehicles and other emergency / disaster equipment.

KARS enjoys a good relationship with the county ESDA office.
