## Arecibo Observatory and Field Day

The next KARS General Meeting will be Tuesday, June 13, 7PM at the Bradley Bourbonnais Sportmen's Club.

There will be a video, narrated by KARS member, Val NV9L, on the Arecibo Radio Astronomy Observatory in Puerto Rico. Unfortunately, due to years of indifference by certain liberal politicians, the massive structure collapsed on December 1 2020, resulting in an inestimable loss to science.

Fortunately, before that fatal day, Val NV9L and Jerry WB9Z were given a VIP tour of the installation by the Director of Telescope Operations, Angel Vazquez WP3R.

You going to love this program, be sure to arrive early!
