AUCTION AT KARS OCTOBER MEETING

The next KARS meeting will be October 1st, 7PM at St. Mary's Hospital meeting room. Use the main entrance on the South side. Following a very brief business meeting, will be the annual KARS auction.

Rummage through your garage, shed, basement, attic, etc for electronic goodies to be auctioned off.

Anything radio, electronic, computer related is appropriate. Probably best not to bring your new \$8K rig...unless you want to sell it cheap!

Bill N9OE presented soldering program at the September meeting while Bob N9MBR looks on.

KARS FOXHUNT September 1st

Hunters gather at Meadowview shopping center before hunt. John N9LYE wonders if Clay N9IO thinks the fox is hiding in his trunk

Craig N9FD...The Tricky Fox!

Hunters fill up two tables at Coyote Canyon after the hunt, eager to compare notes and claim bragging rights

SEPTEMBER 1st HUNT RESULTS

Craig N9FD, the fox hid in an obscure area of the Kankakee State Park, on the north side of Rt. 102. A large vertical on a tall pole was the only thing barely visible to the hunters, until driving into the cul-de-sac where Craig sat in his car hidden among the trees. The Doppler and Yagi combo used by John N9LYE and Rollie N9RJM was up to the task, leading them to the spot in just 9.1 miles. The team of Crystal W9IOU and Rodney K9UNO was second with 14.0 miles. Other hunters included Clay N9IO & Don KC9QPM, Don K9NR and Billie K9QT

See page three for the September 15th hunt results.

KARS MEMBERS SUPPORT DXPEDITION LOGISTICS

KARS and KARS members continue to do their part in supporting the major DXpeditions to the remote and rare parts of the DXCC world.

We received kudos from K9CT during his Swains Island presentation at the W9DXCC Convention for the lexan antenna patch panels built by Clay N9IO and Bill N9OE.

Of course, KARS life member Jerry WB9Z who is an operator on the upcoming [Wake Island](#) and [Amsterdam Island](#) expeditions continues to donate enormous amounts of time, work and resources to help insure the continued success of these important operations.

If you can, consider helping out with a donation to these expeditions. We all benefit when we all help out!

KARS DONATES TO DXPEDITIONS

Continuing its tradition of supporting large DXpeditions, KARS members voted unanimously to donate \$100 each to both the Wake Island and the Amsterdam Island DXpeditions!

KARS FOXHUNT September 15th

Craig N9FD tries to free his hunting antenna after it mysteriously stuck to the pavement

Second place winner Jim KB9VR gives the OK that he and his team are ready to begin the hunt

First place team of Clay N9IO and daughter Crystal W9IOU, at start of hunt..."Come on Crystal, unlock the door!"

Last place, but still smiling, Billie K9QT and team of Paul W9IEY and his XYL Terry

Lots of work went into the setup of Foxes Rollie N9RJM and John N9LYE. Note the tall mast & beam

All the comforts of home. John N9LYE (the FOX) places an order with his broker.

SEPT. 15 HUNT RESULTS

Crystal W9IOU and her dad Clay N9IO won this "far out" fox hunt with a mileage of 17.0. Second place went to the team of Jim KB9VR, Ron WB9JYZ & Doug WB9YSW with 17.4 miles. This will go down in history as the closest hunt ever.

Other hunters were Craig N9FD, Don K9NR, the team of Billie K9QT, Paul W9IEY & Terry, and Mike WU9D.

The Foxes were indeed far out, hiding in St. Anne. They used a very tall telescoping mast-mounted antenna and ran high power to give the illusion that they were close in.

All in all it was a great day, with the threatening rain holding off until the hunters had retreated to El Mexicano restaurant following the hunt.
