AUCTION AT KARS OCTOBER MEETING

The next KARS meeting will be October 7th, 7PM at St. Mary's Hospital meeting room. Use the main entrance on the South side. Following a very brief business meeting, will be the annual KARS auction.

Rummage through your garage, shed, basement, attic, etc for electronic goodies to be auctioned off.

Anything radio, electronic, computer related is appropriate. Probably best not to bring your new \$8K rig...unless you want to sell it cheap!

FOXHUNT OCTOBER 11th

Due to inclement weather it was decided to re-schedule the Oct 4th foxhunt to Saturday Oct 11th at 11am. Clay, N9IO winner of the last hunt will be the fox.

NEW REPEATERS ONLINE

The Comm Committee reports that the new 2 meter repeaters should be going on line as this newsletter goes to press.

The new power amps have finally arrived finishing the acquisition phase of the project. All equipment is now in hand to finish the upgrade of all three KARS repeaters. The new 444.800 machine went on line about a month ago and the 145.130 and the 146.940 repeaters should get their new electronics installed in the next few days.

Initially, the new machines will run off their internal controllers. The controllers are very basic and Bill N9OE has acquired an Arcom controller kit to assemble and test. If found suitable, all three repeaters will be equipped with the new controllers.

Keep listening for the new signals!

AUGUST 30 HUNT RESULTS

New hunters Paul W9IEY & Terry scored big taking first place.

Other hunters were Craig N9FD, Clay N9IO, Jim KB9VR & crew and Rollie N9RJM & XYL Jane.

Don K9NR, the fox, hid near the west side 444.800 tower in Billie K9QT's new car. A bit of a curve as most hunters were looking for Don's red van.

All in all, it was a great hunt with great tasting food at the west side Poor Boy's 2 restaurant afterwards.

SEPT. 13 HUNT RESULTS

Perennial winner Clay N9IO won this hunt finding the fox first and with the lowest mileage. Clay was reportedly bummed out as he now has to hide instead of hunt!

Other hunters were Don K9NR, Craig N9FD, Jim KB9VR & crew and Rollie N9RJM & Jane All four hunting teams finished closely, making it an exciting hunt.

Fox team Paul W9IEY & xyl Terry tried to keep the hunters guessing by changing power but to no avail.
