October 2021

Don't miss out on the Illinois QSO Party!

Thanks to the generosity of the River Valley Christian Fellowship and the efforts of KARS member Randall KD9SKR, the October 5th KARS meeting will be at the church located at:

River Valley Christian Fellowship
800N 2000E Road (Cardinal Drive)
Bourbonnais

Enter via the South Door and go to the second floor, turn left and the room will be on your right. An elevator is available if needed. Please wear a mask, especially if not yet vaccinated.

After a brief business meeting, there will be an outstanding video on the famous Arecibo Radio Observatory in Puerto Rico prior to it's collapse.

KARS members Jerry WB9Z and Val NV9L were given a special insiders tour of the 900 ton platform suspended high over the 1,000ft dish by the Director of Telescope Operations Angel Vazquez WP3R.

This includes some fascinating footage inside the electronics and mechanics of this scientific wonder of the world. You'll be sorry if you miss it!

What better way to spend a beautiful summer day than to participate in a KARS

BAD NEWS FROM LAOS

By Simon Luttrell XW0LP

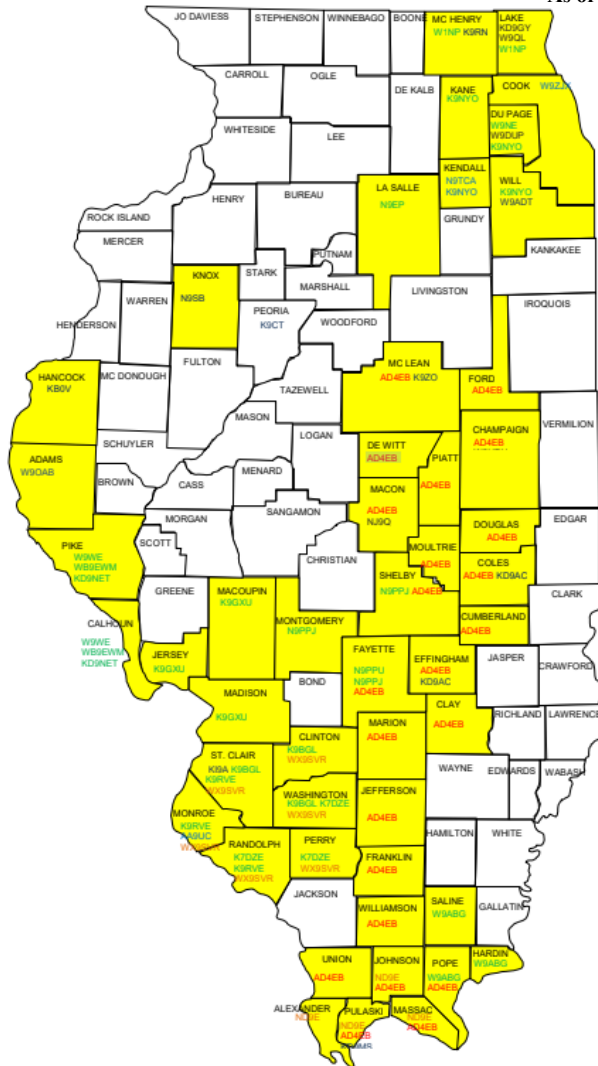

The only licensed Ham Radio operator in Laos reports...

I had some big problems with the local police/military who were totally unaware of Ham Radio. They were shocked to learn that I had radio equipment and swamped my property for several days, grilled me and took pictures of me with my ham gear. I was also "invited" to police headquarters for an "interview."

The Laos radio licensing department finally cleared me. However, the Laotian Communist/Socialist government banned any further operation on 80 or 30 meters without any further explanation.

Moral of the story...

Far reaching governmental control will do it's best to seize your property and your rights.

2021 IL QSO PARTY-SUNDAY OCTOBER 17

Activity map above showed planned operations by county in 2021. All of the 102 counties were activated in 2020. We are confident for the same this year.

Don't forget! The 2021 Illinois QSO Party is Sunday, October 17th, 12 Noon to 8PM. Operation is on all bands 160 through 2 meters and all modes CW/SSB/FM/Digital. The exchange is your RS(T) and county or RS(T) and state for non-Illinois stations.

If you don't have HF gear, check out the activity on the FM simplex channels. FM contacts must be simplex and not through repeaters.

So...jump in and help out. You don't have to operate the entire contest. Just hop in anytime and make a few contacts. **Be sure to submit your log with "KANKAKEE AREA RADIO SOCIETY" for the club aggregate score!**
