Helping out in post hurricane Puerto Rico

The heart and soul of Amateur Radio Emergency Communications (December 2017 KARS program)

The devastation wrought by Hurricane Maria was met head on by dedicated Amateur Radio operators. The ARRL's "Force of Fifty" helped save many lives and rescue people by providing emergency communications throughout the island. Amateur Radio operators also helped maintain safety and order by assisting law enforcement. KARS sends out kudos to Val and all the other responders and Hams who helped.

Val NV9L takes time out of her busy schedule to share her experiences in hurricane ravaged Puerto Rico

KARS members listen closely to NV9L's description of the numerous "go to" kits provided by the ARRL

If it is a WB9Z / NV9L kind of program, you better arrive early if you want a seat!

2017 New Years Eve Dinner

Good Food, Good Fun, Nice People!

That's a lot of smiling faces

We hope you were able to attend and had a safe and happy new year!

KARS HOMEPAGE— WWW.W9AZ.COM —KARS HOMEPAGE

“For HF, I run an Icom 746 with three homebrew dipole antennas for 20, 40 and 80 Meters, all at 35 feet.”

“For VHF / UHF, I am running a Yaesu FT-7900RE and a Yaesu FT-2200 feeding Diamond 510h and Diamond X200 antennas.

I have two keys. A straight key that I love and an Iambic paddle that I am getting used to. Nothing fancy but I am having lots of fun!” K9KSG

Be sure to send a picture of your shack to: donk9nr@gmail.com

Include a little write-up of your gear, and your favorite activities.

We want to hear from everyone! Do it today!
