July 2019

Net Procedures Program in July

The [next KARS meeting](#) will be Tuesday July 2nd, 7PM at St. Mary's Hospital. As usual, enter at the south entrance.

Following a brief business meeting Harry WD9FYF and John N9LYE will present a program on proper net procedures. Sharpen up your skills. Hope to see you there!

FOXHUNTS!!!

Our June 29th hunt wrapped up as this newsletter was completed. The foxes were W9IEY & Terry team. The Winner was Billie K9QT.

[The next foxhunt](#) will be the Saturday July 13th 12-2pm. Hunters will start at the usual place...the east parking lot at the Meadowview Shopping Center. Fox will be K9QT. **Tally Ho!**

ILLINOIS ARES HF NET

KARS Emergency Communications Coordinator, Harry WD9FYF reminds KARS members to check in to the Illinois ARES HF net on the first and third Sundays of the month at 1630 local time on 3.905 mHz or if required by propagation, 7.230 mHz LSB.

The net is good practice and will be the backbone for emergency communications should the need arise.

NCS FOR JULY

The net meets every Monday at 2000 hours local time on the 146.34/.94 repeater. All stations with or without traffic are invited to check in.

July 1 N9LYE
July 8 K9KSG
July 15 KD9KKS
July 22 N9OE
July 29 N9DWE

Don't forget the net!

KARSFEST 2019

Calling all KARS members. Your help is needed at [our annual Hamfest on Sunday July 21st](#). See you at the Will County Fairgrounds in Peotone starting at 6:00 AM. This is our only fundraiser of the year and we have several repeaters and lots of equipment that rely on this event. All KARS members are requested to please help out.

TWO RIVERS CENTURY BICYCLE TOUR - Sunday, August 4th

KARS will once again provide communications for this event. This is a great way to get out and enjoy the fresh air, meet cyclists from all over the state and get out a positive message about amateur radio.

The ride will start at the Ice Valley Centre Ice Arena park at 6AM but that doesn't mean we all need to be there that early. The sign-up for riders begins at that time. There will be cyclists starting for about the first 2 or 3 hours. We'll need operators all day. You can help out at the start (6AM) or later in the morning or afternoon and participate as long as you can.

At the very minimum of participation, we'll need 4 fixed locations with ham operators: Registration, Aroma Park, Island Park in Momence, and Plato Bridge in Iroquois County, plus some hams to ride with the SAG service vehicles to provide communications from the mobile positions. The ride starts at 6 AM; SAG ends at 3:30.

The ride patrolling will be from 6:00 AM to at least 3:00 PM, but the last time we participated, we had vehicles involved to around 5:30 PM.

There will be food at the rest stop locations. Good stuff! It is primarily for the cyclists, but we may indulge.

Harry WD9FYF is our point man in this operation, so contact him and let him know when you will be available.

Expect hundreds of riders....some of the friendliest folks you'll ever meet. Complete info, including maps is available online at:

<https://www.tworiverscentury.com/>

Mark Steffen, a local attorney, is the president of the Cycling Club. This is a really fun operation and even if you can't do the entire day, we can still use you part time. If you miss this event, you will really miss out on a great time outdoors! Harry will be working up a list of participants at the July General KARS Meeting. If you cannot make the meeting, contact Harry at:

wd9fyf@gmail.com or 815-644-8762

Can you find the fox?

Join in the fun!

KARS BOARD MEETING

The [Board Meeting](#) will be held Tuesday July 16th in the private dining room at El Mexicano's Restaurant by the Hilton Hotel and Walmart south of town near the I-57 exit. Eat at 6 P.M. Meeting at 7 P.M. All members and spouses are welcome.

FOR SALE

- Icom IC-746 with Heil BM-10 Headset. Includes the OEM filters plus 1.9khz and 350hz narrow filters, built in auto tuner, 100 watts on 2 meters and 6-160m. \$450 [Sale Pending]

- MFJ-434 Voice Keyer currently configured for the IC-746 Can easily covert to Yaesu, others. \$100

- Acom 1000 Amplifier 6 through 160m, Perfect condition. Full output. (4CX800A (GU74B) ceramic tetrode. 1200W output with 1000W continuous duty. True Resistance Indicator (TRI) tuning aid shows a graphical pointer on the LCD display indicating which direction to rotate the LOAD capacitor knob. Easiest manual tune amplifier I have ever owned. 60 watts input power yields 1000 watts output continuous load. No need for a giant antenna tuner - 3:1 SWR is easily matched automatically by Acom's input matching circuitry) Purchased new Q4 2014 sells for \$2750. Priced to sell \$1600
