March 2013

MARCH MEETING: EMERGENCY COMMUNICATIONS

The March KARS meeting will be held in the main floor meeting room at St. Mary's Hospital at 7PM on Tuesday March 5th. Enter via main entrance on the south side of the hospital.

The program this month will feature emergency communications and severe weather operations.

Hopefully, you were among the many who attended the NWS Severe Weather Seminar. Regardless, be sure to attend the KARS March meeting. It is approaching the time of year when Mother Nature lets us know who really is in charge.

Make sure you have the latest info on how to be an effective communicator during emergency circumstances. See you there!

Be Sure Your 2013 KARS Dues are Current

NCS FOR MARCH

The net meets every Monday at 2100 hours local time. All stations with or without traffic are invited to check in.

March 4 N9LYE
March 11 AC9CZ
March 18 N9OE
March 25 N9FD

DAYTON PLANS 2013

Okay, so this year's winter wasn't exactly long and grueling (ya gotta love that "global warming.") Nonetheless, KARS members are counting the days till Hamvention.

The email chain will be circulated soon. Assuming you bathe regularly and have no particularly annoying personal habits and you are planning on attending and would like to ride along or caravan with the KARS group, send an email to Don K9NR to be kept in the loop.

BOARD MEETING

KARS board meeting, which is held on the 3rd Tuesday of each month, will be held March 19th at El Campesino restaurant. Eat at 6 Meet at 7.

All KARS members and their families are welcome.

SEVERE WEATHER SEMINAR

The Kankakee County severe weather spotter program, presented in February, by the National Weather Service, was well attended by KARS members despite threatening weather conditions that evening.

ONLY 77 DAYS TILL DAYTON!
