The Mystery Behind Microcontrollers

The next KARS meeting will be May 1st, 7PM at St. Mary's Hospital. The best access is the main South entrance across from St. Rose Church.

After a brief business meeting, there will be a program on Arduino and other microcontrollers.

There will be hardware to view and practical applications. Ken W9IE will help clear up some of the mystery of these popular devices. See page 2 for more info. See you there!

Arduino and other microcontrollers to be featured at the May KARS meeting

DON'T FORGET THE INQP!

The Indiana QSO Party is Saturday May 5th 1500z to Sunday May 6th 0300z local time. That's 10AM Saturday to 10PM Saturday Illinois local time. All stations may operate the full 12 hour period...or as long as they wish. Two points per CW QSO and one point per SSB QSO. For rules, county maps, etc, check out the INQP web page at:

www.hdxcc.org/inqp

Be sure to listen for: K9NR, K9CS, N9FD & WT2P operating from Perry County Indiana using the call W9AZ; and, if all goes well, WR9L will operate from Newton County using WR9L!

TWO RIVERS CENTURY CYCLING TOUR

The Kankakee River Bike Club is again sponsoring the "Two Rivers Century Ride on Sunday August 5th. Complete info can be found at:

<http://www.granfondoguide.com/Events/Index/2693/two-rivers-century>

This is a fun event where KARS provides communications between the Start/Finish, Checkpoints and SAG wagons. A really great way to spend a beautiful day helping out cyclists from all over Illinois, Indiana & Wisconsin.

We'll be looking for volunteers. You can be there all day or just when you're available. Hope to see you there!

TRANSMITTER HUNT

The first [KARS transmitter hunt](#) of 2018 is scheduled for Saturday April 28. The hunt begins at 12PM and runs a maximum of 2 hours. All hunters must start from the eastern parking lot of the Meadowview Shopping Center. The fox will be K9NR.

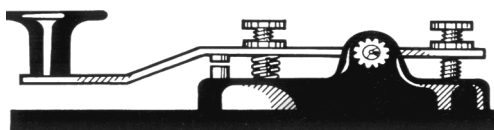

Anyone may participate, hunters do not need to be a KARS club member. After the hunt, we will retire to a local eatery to discuss how we could have won but felt sorry for others, etc.

Check calendar for subsequent dates. Don't miss out on the fun!

KARS SHACK OF THE MONTH - W9BBB/W9ARH

My Station...

My new station today for HF is a Elecraft K3 with matching amp and a spectrum scope(P3).I also have a Elecraft K2 Transceiver for three transverters which I can access 6 meter, 2 meter and 220 mHz SSB. For 2-meters, an Icom 821a which also gives me 440 mHz on all modes. Got many accessories as you can see to make my Hamming more enjoyable. Antennas up now are for 160 meters, a helical wound vertical. Just experimenting with it and seems to be ok for local contacts. A Butternut HF9v for 80-10 meters, a Cushcraft 11 element beam mounted horizontally for 2-meter SSB, a Cushcraft 3 element for 6 meters and a few VHF/UHF verticals also.

My favorite modes are SSB and FM voice.

KARS MAY PROGRAM ON MICROCONTROLLERS Everything you wanted to know!

What can I do with them?

How many different kinds are there?

How do I program them?

How much do they cost?

Find the answers to these and many more questions at the May KARS meeting!

Ken W9IE has put these devices to work around his station with great success. Come to the May meeting and get in on the fun!

It's only about 18 days till Hamvention!

KARS HOMEPAGE— WWW.W9AZ.COM —KARS HOMEPAGE

The April KARS meeting program was a special screening of the Bouvet DXpedition presented by none other than Jerry WB9Z and Jim N9TK both of whom made the arduous journey to the “most remote place on earth!”

At the meeting, Jim joined KARS. Welcome Jim!

BOUVET Program (April Meeting)

A fascinating program on an incredible journey—one that will be talked about for a long time! Wherever DXers gather!

W9DXCC—EARLY NOTICE

Again, this year the W9DXCC DX convention (one of the best in the nation) will be held at the Hyatt Regency in Schaumburg.

The Saturday Banquet speaker will be Bob Schenk N2OO! Like WB9Z, N2OO is a CQ DX Hall of Famer. Among his many accomplishments, Bob is the CQ Magazine DX Column Editor.

Excellent programs, QSL card checking, prizes, exhibits and the new and very popular DX Class. Also, don't forget the fun of hobnobbing with your fellow DXers and the Banquet!

The dates for 2018 are September 14-15. Online registration is now open. Be sure to reserve your room soon and get the full lowdown at the W9DXCC homepage:

www.w9dxcc.com

Several KARS members usually attend. Don't forget the Friday night outing with the Society of Midwest Contesters gang!

Why haven't you sent in your “Shack of the Month” picture? Lets get with it!

SMC FEST 2018

Mark your calendar...Saturday August 25 2018 for SMC Fest 2018 at the Hyatt Place Bloomington/Normal.

SMC Fest is a first class Ham Radio gathering with excellent programs, speakers, food, prizes and fellowship. This is not just for contesters but also DXers and anyone interested in improving his operating skills.

FIELD DAY

Hard to believe, but [Field Day](#) is rapidly approaching. The June meeting program will feature FD planning. It is, of course, the largest operating event in amateur radio.

Again this year, there will be a Saturday dinner BBQ with club providing charcoal grills and meat entrees for KARS members who help with the operations and setup or teardown.

There will be further info in the June newsletter including a map.

[Field Day](#) runs continuously from Saturday June 23rd till Sunday June 24th. You can come and go as you please or camp out. See you there!

BOARD MEETING

Due to pre-Dayton activities, The Board meeting has been **rescheduled to Tuesday May 22** in the private dining room at [El Mexicano's Restaurant](#) by the Hilton Hotel and Walmart south of town near I-57 Exit 308. 6PM to eat. 7PM to meet. All members and their guests are welcome. *****NOTE:**

The June meeting will be on Tuesday June 19th as usual.
